HORNY T.M.

A FUNKY PICTORIAL FOR THE RAUNCHY MALE

PHOTOS BY D.J. GARRETT

Are you one of those guys who has a steaming dick 24 hours a day, 7 days a week? Well, this funky pictorial was created just for you super horny studs. It belongs there, right next to your bed . . . alongside your amyl, toys, mineral oil, lube and cumrag! So slip on that cockring, also plug into these hot pages of horny guys meating 'n' making it! All you need is an over-endowed filthy/funky imagination, and perhaps some tripy smoke before you plunge in . . .!!

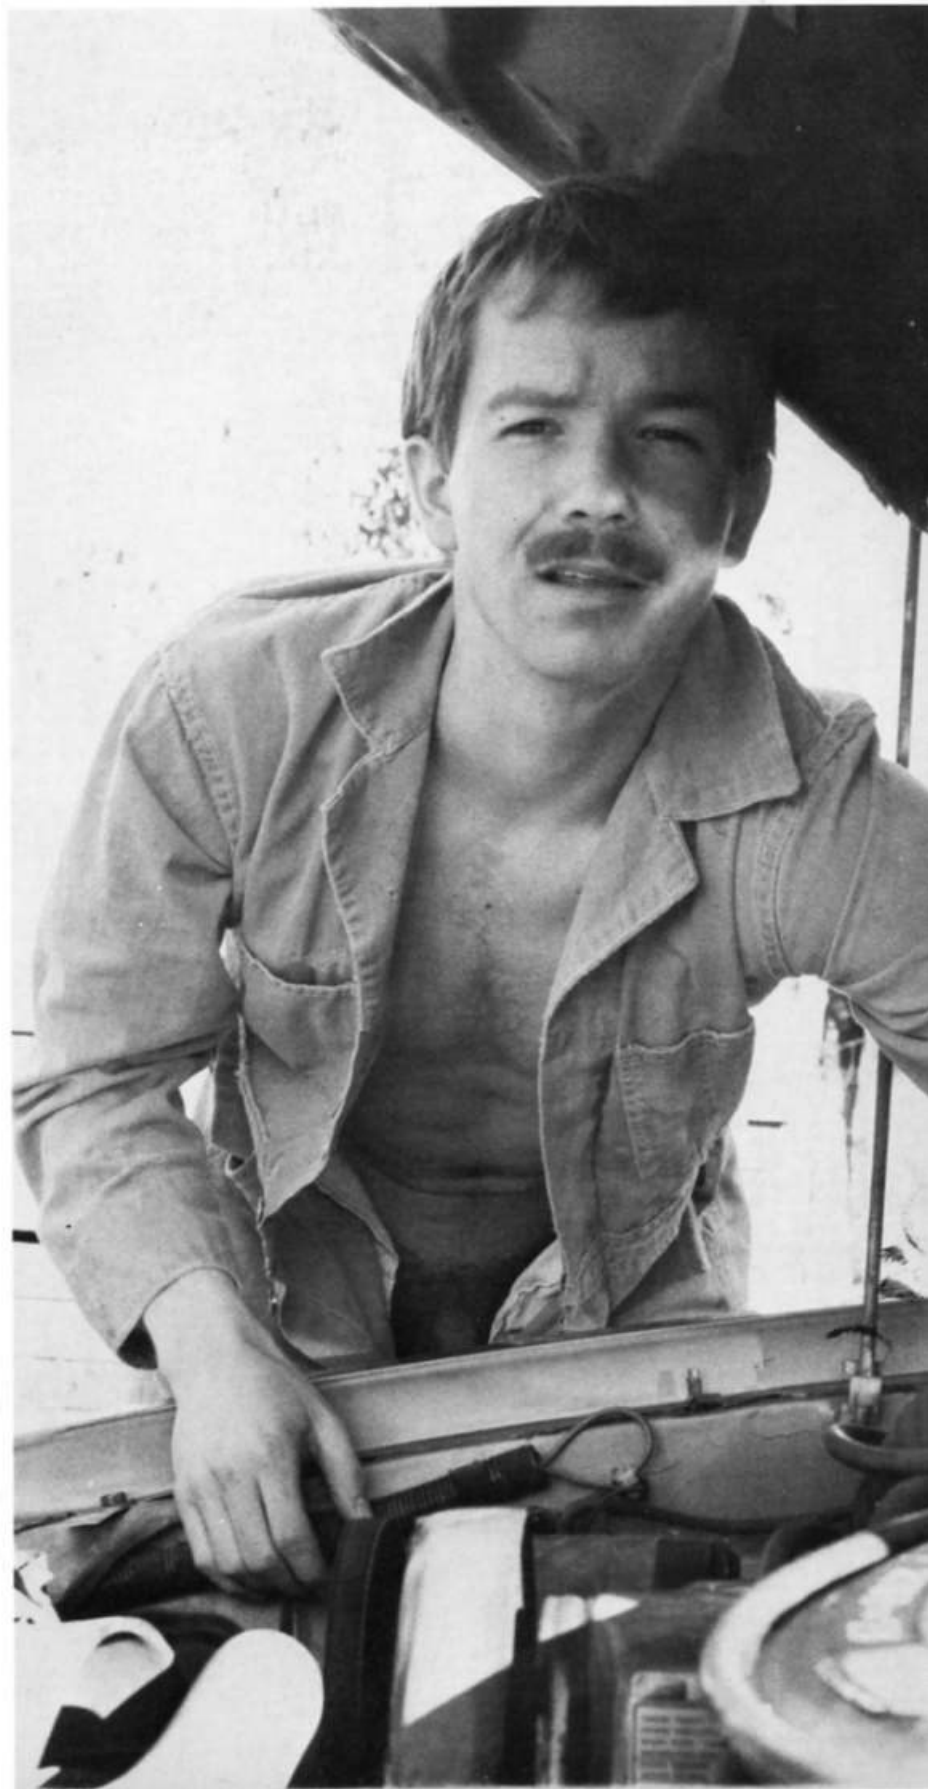

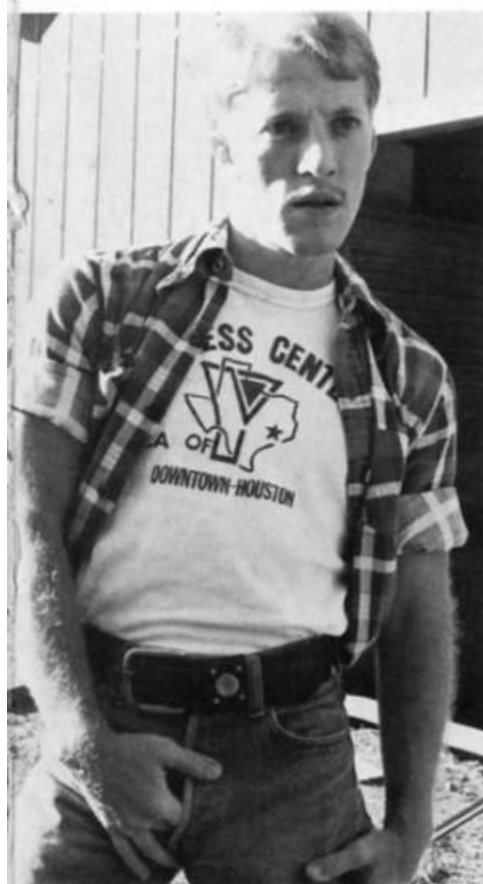

The first set of pics show what happens when Moose Malone, hitch-hiking one warm day, stops by a roadside filling station and catches Rod, the horny, sweaty mechanic, alone! After some raunchy preliminaries, the two guys head for the storage shed . . . where lunch is 10 inches . . . and HOT!!
